

# SCREENY BOX

Guide rod

Guide cable

Screeny Box is a modern screen with lateral guides and a cassette and is suitable for shading windows and pergolas.

The screen consists of a cassette, lateral guides, a drop profile, a control mechanism and two bottom fixing brackets. Screeny Box is supplied with two lateral guide options: stainless steel  $\varnothing 4$  mm cables or  $\varnothing 10$  mm stainless steel rods. Installation is possible on the wall or on the ceiling.
